

Edit notes: The following was typed from notes handwritten at the time of the darśana. Q denotes a question. B indicates what Babaji wrote on his chalkboard, as read by the reader, and then as heard and noted by someone present. There was editing for format and IAST transliteration of Sanskrit terms.

July 22, 1979 Satsaṅga with Baba Hari Dass

Q: How can I tell if I am acting according to God's will before I do a thing?

A: When the desires and attachments are reduced, when the ego of being the doer is reduced, then all the works done are by the will of God. Our will is God's will if it is not polluted by the desires and ego.
