

January 3, 1978 Darśana with Baba Hari Dass

Edit notes: The following were transcribed from notes taken at the time of the event. There was editing for format and IAST transliteration of Sanskrit terms.

Question: Issue of āsanās for contraception.

Babaji: There are mudrā, but it was secret with the tribals. The Indian government tried hard to learn it but they wouldn't tell. In some tribes the leader owns all the women. The other men work as servants. They know several mudrā.
