

October 5, 1978 Darśana at Retreat with Baba Hari Dass

Edit notes: The following was typed from notes handwritten at the time of the darśana. Q denotes a question. B indicates what Babaji wrote on his chalkboard, as read by the reader, and then as heard and noted by someone present. U is other voices in the notes which were unattributed. Comments in square brackets are generally those of the typist.

Q: Pet rat....

B: Do you know why they have such tails? They make holes, and the tail makes....

U: ... and also show them the way back out!

[missing text?]

Q: Do you know what might cause that muscle to do that?

B: Pulled. Happened several times.

Q: Again and again?

B: Yes.

Q: Cure?

B: Pine sap.
